III. Clarifications

In the released RFP, on page 3, under Project Description, one of the item is;

--Prior to starting work, the roofing contractor must submit the following: Shop drawings showing layout, details of construction and identification of materials, sample of the materials,

Instead of prior to starting work, we would like the roofing contractors to include the details of construction and identification of the material in their proposal.

IV. Award.

MPS reserves the right to reject any and all proposals; to waive any informality in the proposal process; and to accept the proposal that appears to be in its best interests.
