Proposals Due: May 22, 2023
Interviews, if any (exact date and time TBD): Week of May 22, 2023
Selection Announced: Week of May 29, 2023
2.0 PROJECT DESCRIPTION

The general scope of work is to provide all labor, material, tools, equipment, and supervision necessary to complete the installation of selected types of roofing.

- The roofing contractor shall be fully knowledgeable of all requirements of the contract documents and shall make themselves aware of all job site conditions that will affect their work.

- The roofing contractor shall confirm all given information and advise the building owner, prior to bid, of any conflicts that will affect their cost proposal.

- Perform a moisture scan of the specified roof area at least 3 weeks prior to starting the project. Provide the owner with a detailed report for review with the extent of moisture contamination and additional quote to replace the contaminated materials. Mark areas of moisture contamination on roof surface.

- Clean and prime repair areas.

- Repair roof drains as required.

- Prior to starting work, the roofing contractor must submit the following: Shop drawings showing layout, details of construction and identification of materials, sample of the materials,

- Submit a letter of certification from the manufacturer which certifies the roofing contractor is authorized to install the manufacturer's roofing system and lists foremen who have received training from the manufacturer along with the dates training was received.

- Care should be exercised to provide protection for the interior of the building

- The roofing contractor shall use reasonable care and responsibility to protect the building and site against damages. The contractor shall be responsible for the correction of any damage incurred as a result of the performance of the contract.

- The roofing contractor shall remove all debris from the job site in a timely and legally acceptable manner so as to not detract from the aesthetics or the functions of the building.

- Provide manufacturer's 20-30 year Limited Warranty covering both labor and material.

- The roofing contractor shall be responsible for all permits for the Project provided however, that fees for all such permits may be submitted to MSA-1 for reimbursement.

The building and premises are available for examination. Please coordinate site access with Mustafa Sahin, msahin@magnoliapublicschools.org or (760) 587-6031.

3.0 PROPOSAL FORMAT

Respondent shall format its response as set forth below to facilitate timely review and selection. Please be specific to the RFP, and do not include materials not explicitly requested, such as generic marketing materials.
